

FROM THE OFFICE OF THE
SENATE SUBCOMMITTEE ON
PROBLEMS OF THE AGED AND AGING
249 SENATE OFFICE BUILDING
Capitol 4-3121, Ext. 3681

FOR IMMEDIATE RELEASE

Senator Pat. McNamara (D.-Mich.), Chairman of the Senate Subcommittee on Problems of the Aged and Aging, announced today that the starting date for hearings on the health problems of the aged has been shifted from March 21, as originally scheduled, to March 29.

Postponement of the hearings is due to the prolonged civil rights debate which will apparently continue through the week for which the hearings were originally scheduled.

The hearings will be held on March 29, 30, and 31, and April 4, 5, and 6. Appearing before the Subcommittee will be officials of insurance companies active in the health field, as well as noted public health and welfare authorities.
